There are no upcoming public course dates available; however we can deliver this course at a date and location to suit you. Get this course from as little as £46.00 per person.

## Course Summary

Delegates should provide a passport photograph on the day of training for production of ID Cards. Delegates should inform their trainer if they have any serious health issues, physical problems, special considerations or are taking any medication, which may create difficulties in undertaking elements of this training course. For training held at your own location, please ensure that the classroom you make available has a 240v power supply and is a suitable size for the number of delegates attending.

## Who Attends

This National Water Hygiene training programme is designed for managers, supervisors and operatives who work with potable water.

## The Aim

To provide delegates with a thorough understanding of the need for good hygiene when working with potable water.

## Knowledge

A classroom based tutorial, with an active discussion session and ending with competency assessment.

## Course content

Completion of Health Screening Questionnaire. Completion of National Water Hygiene Test.

## Methods

A classroom based tutorial, with an active discussion session and ending with competency assessment.
