## Course Summary

Who Should Attend? This training course is designed for Operatives or Supervisors that are registered with the Street Works Qualification Register for either Unit 2 or 10 and wish to renew their NRSWA qualification but require exam preparation and refresher training. Training Course Content Delegates will receive rigorous theory based training and exam preparation designed specifically around the NRSWA Requalification assessment. Delegates will then sit one written, multiple choice exam paper under strict exam conditions. The exam paper must be completed within a strict 30 minute time frame. Standard Operatives Qualifications Signing, Lighting and Guarding (Unit 2) Standard Supervisor Qualifications Signing, Lighting and Guarding - Supervisors (Unit 10) Additional Information This course is designed for Signing, Lighting and Guarding units only. If you need the full course you will need the full NRSWA Requalification. If you wish to add additional units the additional units are charged at 25 VAT per person, per unit. City and Guilds give all NRSW card holders a six month grace period to take their requalification assessment. However, we will be unable to take any bookings for delegates who want to attend a course where the course start date is within six weeks of the grace period expiry (not card expiry), due to the time that it takes the accrediting body to process the requalification. Delegates should provide a passport photograph and on the day of training for production of SWQR Cards as well as Photo ID either their SWQR Card, passport or driving license. We will require the following information before booking: Full Name Date of Birth NRSW Units the candidate wish to renew Delegates should inform their trainer if they have any serious health issues, physical problems, special considerations or are taking any medication, which may create difficulties in undertaking elements of this training course. IMPORTANT! City and Guilds have not produced any revision material for the NRSWA Requalification but this course includes exam preparation and refresher training.
