Course Summary

Additional Information > All courses will be delivered in English in accordance with scheme rules. > Delegates must, therefore, be competent in English at the level required to do their job before their course commences. > Interpreters and translators are not permitted for any part of the course qualification or examination. Assessment The examination paper is compulsory and consists of 25 questions, selected by CITB, covering all aspects of the course. > The examination pass mark is 80% (24 out of 30). > The paper consists of 20 multiple choice questions and five short written questions. There are five safety critical questions in each exam paper. The delegate must answer all five of these questions correctly to pass the exam. > The multiple-choice questions are worth 1 point each, whereas written questions can score between 1-3 marks. > We suggest you share this information with the delegates prior to attending the course. Examination Re-sits > There is an option for an examination to be re-taken if the delegate fails on the first attempt. > Where a delegate has achieved between 71%–77% (25, 26 or 27 out of 35) in the exam or has achieved the 80% pass rate but failed the safety critical questions, the delegate may re-sit the exam. This can either be on the same day or by resitting the exam by attending the final day of another course within a 90-day period (the delegate is not obliged to re-do the course). > If a delegate fails the re-sit, they will need to take the full SMSTS-R course again. > When a delegate scores less than 69% (24 correct answers out of 35) in the final exam, the delegate must attend the full SMSTS course again before they can re-sit the exam.

Who Attends

The refresher course is only for delegates who have previously passed the five-day SMSTS or subsequent refresher course and hold a current valid SMSTS certificate. Evidence must be provided to the training provider of their eligibility.
